## Ten Rocks Sauvignon Blanc 2021

### Tasting Notes

This is a wonderfully expressive wine from a fantastic vintage. Small quantities but great flavours! Delightful passionfruit, citrus and grassy, herbaceous characters. The palate is very approachable with bright, fruity flavours, a gentle acidity and lovely crisp finish.

### Vineyards and viticulture

From selected vineyards within the Marlborough province, these blocks represent the geographic diversity of the region and offer diverse flavour profiles.

### Winemaking

2021 was a great vintage with ideal weather, so we could pick each block at the perfect time, giving the best possible flavours. After careful pressing, the juice was fermented in tank at cool temperatures to retain all the natural aromas and flavours. After fermentation the chosen tanks were blended to produce this deliciously aromatic and flavoursome wine.

Alc 12%, pH 3.2, TA 7.2, RS 5.6g/L

Vegan friendly

### Cellaring

Enjoy while young and fruity over the next 12-24 months.

### Food Match

Perfect as a refreshing glass of wine on its own, or enjoy with seafood, salads, vegetarian dishes, Asian-inspired cuisine or as a contrast to soft cheeses.
