- FERMENTATION Traditional in oak barrels with complete malolactic fermentation
- AGEING 8 to 10 months ageing in oak barrels, 100% new
- BARRELS Louis Latour cooperage, French oak, medium toasted

Description

After the ravages of the phylloxera epidemic at the end of the 19th century the Latour family took the then unusual decision to tear up the dead Aligoté and Pinot Noir vines and replace them with Chardonnay. This decision leads them to create one of Burgundy's most celebrated white whites.

Today the Latour family owns 11 hectares which makes them the biggest owner in the appellation. The Latour's Corton-Charlemagne vineyards are located on a prime section of the Corton hillside where the south-easterly aspect ensures maximum exposure to the sun. The fruit is harvested as late as possible to guarantee maximum ripeness.

Wine tasting

- TASTING NOTE A masterpiece in complexity and an overall powerful wine. Notes of roasted almonds with smoky undertones, in addition one finds a slight hint of black powder, and of tartness, proof of its excellent acidity/fruit balance. We encounter buttery aromas, vanilla-like ones that are enhanced with ripe yellow flesh fruit ones; mango. A wine in full evolution, to be enjoyed for many years to come. Tasted January 2007
- CELLARING POTENTIAL 10-15 years
- FOOD PAIRING Shellfish - lobster - foie gras - fish - mature cheeses
- SERVING TEMPERATURE 12-14°
